

# Morgan Maxwell – Photographer

[Discover my work](#)

©2018 — 2025

I'm a photographer who loves capturing unusual spaces.

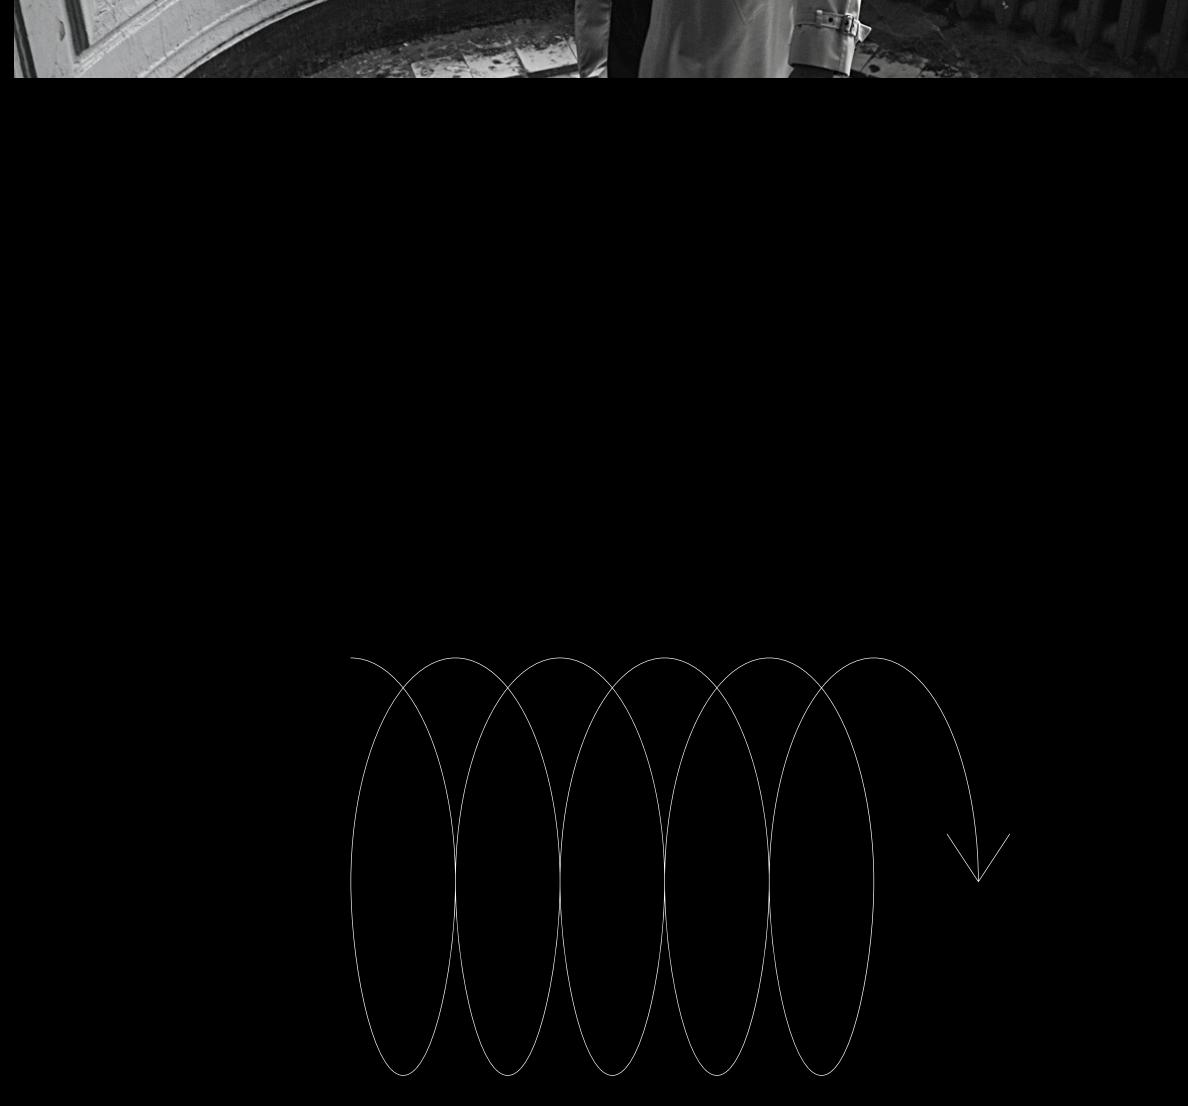

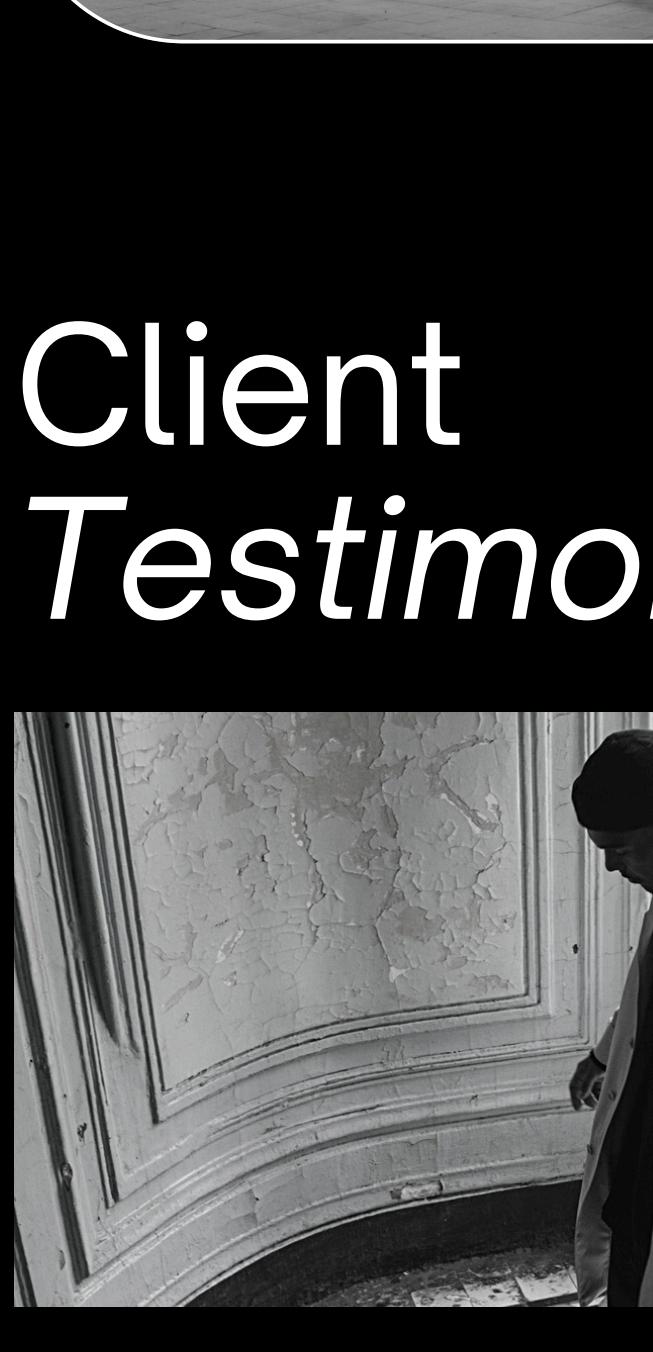

## About Me.

I learned early on in my photography career that I didn't need to travel the world to capture great photos. My most interesting shots are those of unnoticed corners.

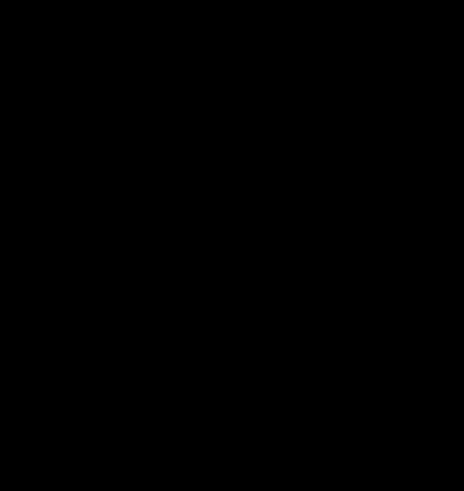

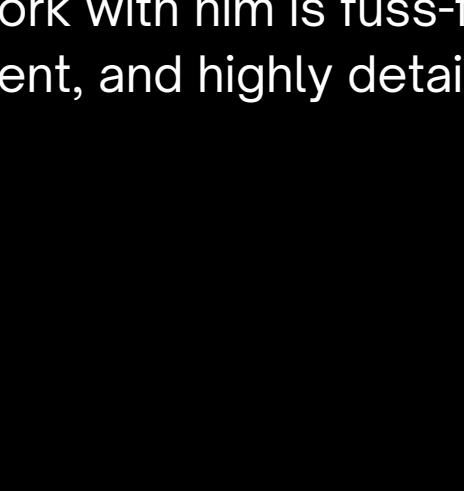

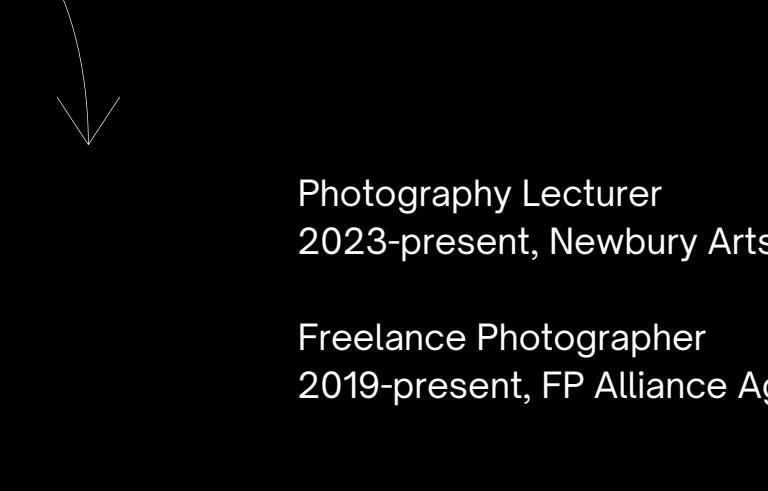

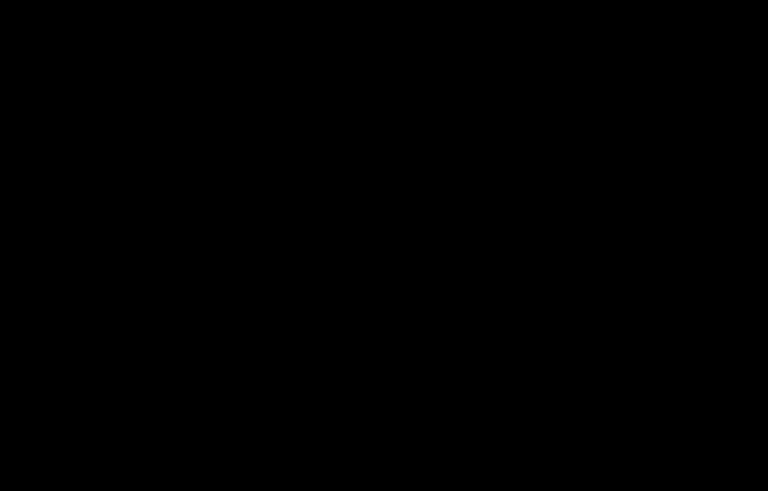

## Patterns.

The camera reveals a whole new world to me. The staircase, the roof of a building, they're all just shapes on shapes.

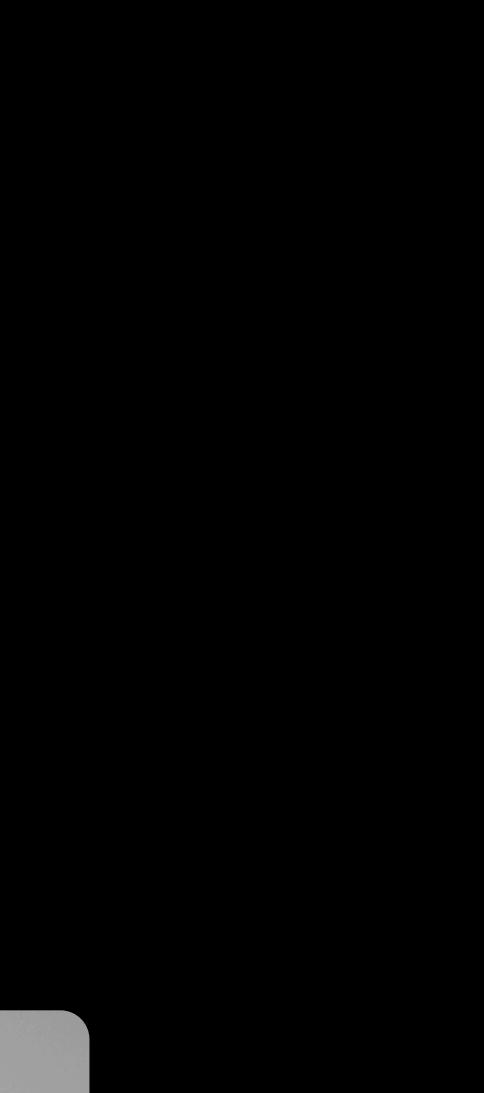

01 Commissioned by The Sierra Lane Museum for their website

02

Shots of The Whelton Building for event needs

## Client Testimonial.
